Vijay Laxmi®
सच होगा सपना ... घर होगा अपना...

Vijay Laxmi® a name synonymous with impeccable ideas and constant commitment. Established in 1976 as a small textile trading company, we have forayed into a medley of areas including construction, textiles, exports, mining and granite. Our dedication towards innovation & growth has earned us the unending trust of our customers. As we reach new heights of success, we strive to do our

best towards the social causes through educational institutions, business forums, social bodies and charitable trusts. Our constant pursuits of excellence have won us numerous accolades and awards like President's Small Scale Industries Development Award from Dr. Shankar Dayal Sharma in 1989 and the Bhama Shah Award in 2004. We have forayed into real estate through Vijaylaxmi Group with utmost presence in cities like Mumbai, Pune & now in Jodhpur. To ensure that we deliver value product we have inbuilt together a dedicated team of skilled engineers, architects and business managers who aspire to imbibe creativity into each stage of building our customers dream home. Every one of us has nurtured a longing for a home of our own, but the ever soaring real estate prices have only pushed our wish to the brink. Cherishing such dream has never before been so easy! Vijaylaxmi Group with its astute vision has redefined the meaning of easy living, with world class amenities.
